Saturday 7th

10:00am - 2:00pm. Meeting BarriosLAB

CivicWise Network Summit

Atlas Association | Calle Anzofé 35, Las Palmas de Gran Canaria

Continuation of the field work lines and projects, within BarriosLAB of CivicWise. Take advantage of the Glocal Camp Canarias to add local initiatives to the debate frame around projects that work the activation of the territory in neighborhood scales or similar. Collaborative work and advice among peers to promote different initiatives.

10:00am - 2:00pm. Meeting HabitatLAB

CivicWise Network Summit

Atlas Association | Calle Anzofé 35, Las Palmas de Gran Canaria

Meeting HábitatLAB It is framed within the context of work developed by the CivicWise Habitat Laboratory. It proposes it's a meeting to deepen the topic of design and development of strategies that favor the creation of cooperative housing projects in the territories. The starting point is the experience on the Tenerife island where a plan for the implementation of a cohousing ecosystem is being developed and where there is also a local community with the objective of undertaking a cooperative housing project.

6:00pm - 8:00pm. WTFisgoingonCW? Glocal Camp Edition

Conferences

Atlas Association | Calle Anzofé 35, Las Palmas de Gran Canaria

This is the CivicWise format in which each one of us can show what she/he's up to. This campaign aims to visibilize what we are doing both inside and outside the community so that we can really connect and collaborate.

8:00pm - 9:30pm. Concert Benabas

Community and Networking

Atlas Association | Calle Anzofé 35, Las Palmas de Gran Canaria

Activity organized by Atlas Association as part of its cultural program.

Monday 9th

10:00am - 2:00pm. Internal workshops

CivicWise Network Summit

Civic Center Suárez Naranjo | Calle Pamochamoso 38, Las Palmas de Gran Canaria

Focused on the work and development of the CivicWise network, it is time to advance our own strategies, projects or laboratories as well as to understand and explore the limits of network systems in collaborative, open and distributed structures.

6:00pm - 7:00pm. Playmaking

CivicWise Network Summit

Atlas Association | Calle Anzofé 35, Las Palmas de Gran Canaria

Development of games and strategies for decision making and creation of opportunities in the city, through the use of techniques, dynamics and mechanics of gamification.

7:00pm - 9:00pm. Glocal connection

CivicWise Network Summit

Atlas Association | Calle Anzofé 35, Las Palmas de Gran Canaria

Connection by videoconference with people from the network and local circles who are not present at the event, especially the network in Latin America.

10:00am - 1:00pm. “Civic Economy” Workshop Adolfo Chautón

Training workshop

Atlas Association | Calle Anzofé 35, Las Palmas de Gran Canaria

The future of the economy necessarily depends on the need to recontextualize it on the territory it supports and to reinterpret it from the perspective of social innovation as a basis on which to build new models that democratize the economy, that is to say, make it accessible everywhere and to all people.

4:00pm - 7:00pm. Rest - Sport / Beach

Community and Networking

“Las Canteras” Beach | Specific area to be decided

Initially, the idea is to spend an afternoon of group activities and leisure on the beach. Each person is free to do another activity or tourist visit.

8:00pm - 9:30pm. WTFisgoingonCW? Glocal Camp Edition

Conferences

Atlas Association | Calle Anzofé 35, Las Palmas de Gran Canaria

This is the CivicWise format in which each one of us can show what she/he's up to. This campaign aims to visibilize what we are doing both inside and outside the community so that we can really connect and collaborate.

10:00am - 1:00pm. “Civic Design” workshop Domenico Di Siena

Training workshop

105 Space | Calle San Francisco 105, Santa Cruz de Tenerife

Incorporate Collective Intelligence, Civic Innovation and Open Design practices to help local authorities, organizations and universities collaborate with citizens for the common good.

6:00pm - 8:00pm. “Safe Place” workshop Ioana Valero

Training workshop

Equipo PARA | Calle La Marina 4, Santa Cruz de Tenerife

The Safe Place workshop aims to integrate new observation mechanisms that allow us to identify the moments when we generate dynamics that are contrary to our values. At CivicWise we would like to create open and inclusive spaces for exchange and work. We would like all participants to feel that they are being heard, and that we are able to integrate new points of view, new approaches.

8:00pm - 9:30pm. WTFisgoingonCW? Glocal Camp Edition

Conferences

Equipo PARA | Calle La Marina 4, Santa Cruz de Tenerife
